Come and enjoy!

We are looking for 3 parents who would like to chaperone students during state contest on February 27 or 28th. As the performance schedule is not yet complete, we don't know if our orchestras will be performing on Friday or Saturday. Details will follow as soon as they are available. Chaperones are required to ride the bus with the students to and from Lakewood High School. This is a great opportunity to see our HHS orchestras in competition with other area groups. If you are available for either date, please contact Leslie Collins at Leslicollins@aol.com. Thank you.

Thank you to...

- ◆ **Kelly Wade, Pam Bowser, Patti Francis & Caroline Gray** for outfitting our orchestras in uniforms.
- ◆ **Debbie Petersilge** and her committee for their wonderful organization of refreshments for each of the quarterly concerts,
- ◆ **Tonia Smith** whose creativity and savvy are well displayed in the decorations adorning the concert stage this year
- ◆ **All the families** who brought cookies and purchased poinsettias in support of these committees.

String Coach Program

Sean Collins will have a sign-up sheet for String Tutors available shortly. An excellent opportunity for string players, this program provides weekly tutoring sessions for 4th and 5th graders. These student organized sessions are tentatively scheduled for Wednesday evenings from 6:00 pm to 7:00 pm at East Woods Elementary. More details to follow as they become available.

Broaden Your Horizons...

...and get involved. It's the nature of the beast that we have turnover in our committees every year or two. We are in dire need of some young blood for next year. While the success of an orchestras primarily depends upon its students and director, parental involvement is a key factor in maintaining the quality our programs have managed to achieve. Please consider volunteering your time and talents as an orchestra VP or committee chair for next year. Anyone interested should contact Leslie Collins - Leslicollins@aol.com. Thank you.
